

Classic Thunderbird Club Of Wisconsin

Recognizing All Thunderbird's 1955 - 2005

Dear Thunderbird Enthusiast,

Thank you for your interest in The Classic Thunderbird Club of Wisconsin. This membership application explains the club, and a brief review of the generations of the Thunderbird.

Also enclosed is a sample of our newsletter, which is produced monthly for all members. Member advertising is free and members are encouraged to place ads whenever they are looking to sell or buy a car, when they have extra parts to sell, or to see if other members may have available the parts they need.

To help you decide to join us, I would like to invite you to attend one of our monthly get-togethers and meet the members. We have an active schedule throughout the year, and our activities include our families as well as our cars.

To find information on the next meeting or event, please visit our website at

DEAR THUNDERBIRD ENTHUSIAST

Southeast Wisconsin has a club devoted to all Ford Thunderbird models, 1955-2005.

The Classic Thunderbird Club of Wisconsin (CTCW) was started in 1966 for individuals who owned 1955-57 Thunderbirds. Several years later, members of the Dairyland Thunderbird Club, which covered 1958-1966 T-Birds were invited to join the group and the club expanded. The club has since voted to include all model years. We are very pleased with our role as a club for Thunderbird owners and fanciers. CTCW is a recognized chapter of all the national clubs that caters to these vehicles.

Most of our members reside in the southeastern Wisconsin area, however, we have members throughout Wisconsin and from outside the state. A monthly meeting is held the third Tuesday of each month (except December) in an established location. Typical activities include car shows, fall color tours, road rallies, theater parties, swimming parties and tech seminars. Family participation is highly encouraged. CTCW membership is open to anyone having an interest in the preservation of the Thunderbird automobile and its history. Ownership is not a requirement.

The 1955-1957 Thunderbird (2 passenger) were considered "classics" as soon as they were announced. The personal car image that Ford Motor Company created easily surpassed the Chevrolet Corvette in style, power, and sales for that period.

The Thunderbird has come full circle with the re-introduction of the 2-passenger convertible made from 2002 - 2005.

Our knowledgeable technical consultants are pleased to assist members with technical advice concerning their automobiles. Please join us for fun, fellowship and information, a combination you can't beat.
