FOR SALE: Original 1955, 1956 front bumper guards with cone inserts. Includes the sleeve and spacers that the bumper bolts go through. Pretty good with original chrome but would need to be re-plated. At the bend at the bottom on one side of each bumper guard there needs to be a weld that the chrome plater would normally do prior to plating. \$500/OBO (freight included) for the pair.

Front bumper brackets with jacking plates, need to be sand blasted as they have rust on them. \$100/OBO (freight included).

1955 through 1957 Thunderbird automatic shift assembly. Pretty good condition but might want to re-plate for show. \$475/OBO (freight included). E-mail photos available upon request.
